Meet MR. DIG!

You are in control of MR. DIG! Use the right joystick to control his movements. On the screen are a number of objects that you need to know about. The first is MR. DIG! He starts out near the bottom of the screen. There are a number of groves of cherries that MR. DIG! is trying to pick. To pick a cherry, just move MR. DIG! over the top of it. There are also a few apples located randomly on the screen. You can use these to squash anything in its path. Finally, you will notice the Meanies chasing MR. DIG! around the screen. If a Meanie touches MR. DIG!, he is dead. You have three ways of avoiding the Meanies.

- Run away!
- Press the fire button on the right joystick to throw your Power Orb at the nearest one. Be careful though — it takes a few moments to recover the Power Orb once you have thrown it.

Everybody's favourite "Mr Dig" must dig for hidden food supplies in the "Meanies" territory below ground. As he digs he can eat cherries or crush the "Meanies" with apples. Special treats earn "Mr Dig" extra points and a

Magic Power Orb can kill the "Meanies".
